CHECK-OUT INSTRUCTIONS:

Please check the bid sheets on the tables to see if you were the top bidder, and then proceed to check-out. Please **DO NOT** remove the bid sheets from the tables! The check-out volunteers will already have copies of the bid sheets.

After you pay for your item(s), you will be given a copy of the bid sheet(s) stamped “paid” and you can take your items from the tables. Please show your bid sheets to one of the volunteers stationed throughout the silent auction so they can verify that the items are paid for and help you locate your items. Thank you!

GIFTS FROM THE HEART

Please visit our special “**Gifts from the Heart**” table where you’ll find special requests from WCHS animals like Bailey who begs “won’t you please consider making a donation to help cover the cost of my vet care until I find my new, forever home?”

You’ll have the chance to pick a much needed item or service and make a monetary donation to cover the cost of that item or service (like the cost to spay/neuter a Wood County Humane Society animal or provide heartworm treatment)!

The “**Gifts from the Heart**” table was created for those of you who were outbid on that item you were really hoping you would get, and for those of you who wish you could take in every stray animal and can’t, but still want to help a little bit more.

The Wine & Cheese Benefit has become our biggest fundraiser of the year because of your support, raising almost \$28,000 last year! The proceeds from this event will be used to care for homeless and abused animals and help fund programs like our cruelty investigation division and our SNIP (spay/neuter initiative project) programs, which offer low cost spay/neuter to the general public and FREE spay/neuter to targeted low income households.
